Questions regarding this RFP are due by 2:00 p.m. on May 19, 2014. The purpose of this addendum is to address question(s) received to date.

Question 1: Do you have an estimated value or budget for the Fire/Burglar Alarm Central Receiver project?

Answer 1: Due to the multitude of types and costs of available systems, a definite budget amount has not been established for this contract. The County intends to review all systems proposed and determine which system best meets its needs at the best price. Vendors may wish to submit multiple proposals for systems that include a range of pricing options (i.e. a lower-priced model; a mid-priced model; and a more expensive model.)
